CAROLE MATHEWS

Carole,

Science fiction has been pretty fun with Mr. Dills, even though we get off the subject. It seems our friendship has sort of lost its way. I remember 7 and 8th grade, Rally Squad, Barbs crush on Tad and all! I'll always remember you and the good times we had. Have a great summer and see you next year when we are big seniors. Karen Hare

Carole

It was good to get to know you this year in Mr. Dills class have good summer and I'll probably see you next year. Rex

Carole, I've known you for a long time / this year Even though I've gotten to know you better. Remember, the future is yours / so set your goals high & get em. See ya this summer. Love / Matt Guapp

Carole -
Even though we've not spent much time together this year, I do hope you've had a great summer. I look forward to seeing you next year. Have a great summer. Love, Angela

Carole,
Sorry about the party at the beach. Hope you had a fun summer. Enjoy yourself and do alot of reading.

Carole -
Sure was glad I met you (though sucky nice guy) you're a "Bubbly" sweet, always had got whatever you're Be happy - God Loves You!
Love in Christ
Roger

Carole,

I'm glad I got
to know you. Hope
to see you this summer.
Hope to get to know you
better - see you later,

Vicky Kent

Love Tom Always Ann
you

Carole,

I'm glad to get to know you
better. Hope to see you
more often this summer.
Maybe I'll see you
at the beach or
maybe a party I will
see you.

Carole,
well, elm School
glad this school
year is finally
ending and GRADUATION
too bad you aren't a
senior now, but next year
will be fun. Senior sneak was
fun too - I was so tired the
next day, and going to school in slippers
wasn't too cute; maybe we can do something
this summer with everyone like we did
before in the days of 9oe. Well have a fun, sweet
summer Carole - you are such a person
and I hope to see you. Love, Elise

Mathews -

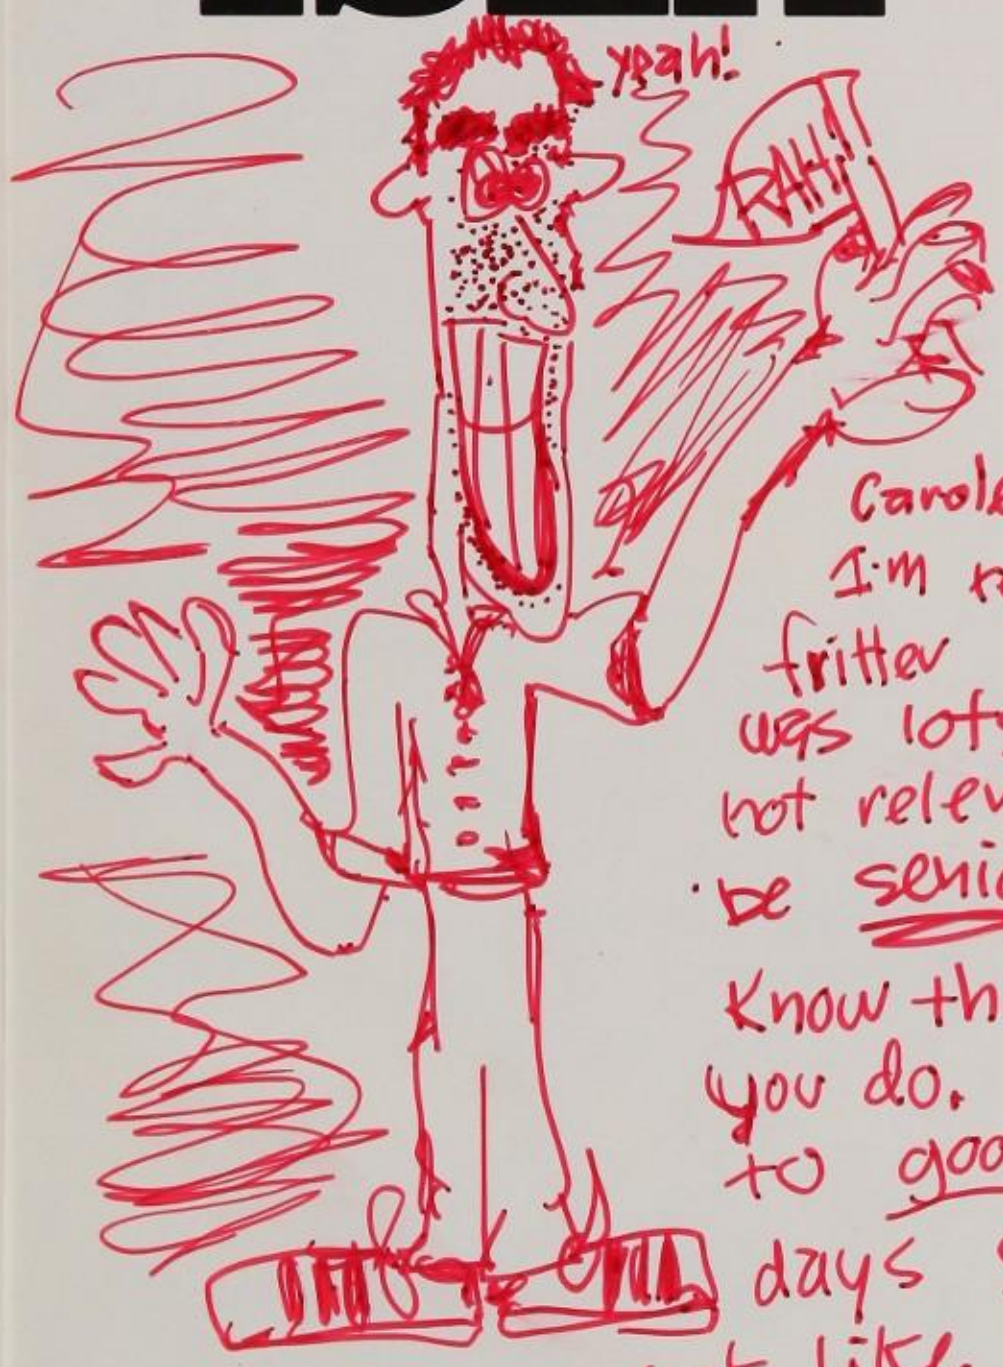
I love the way you walk & talk & wiggle your ears. And despite what everyone else says, I think your butch Seriously Carole, I feel it's unfortunate that we haven't seen more of each other during this start of life where we've been lumped together. I know this general apathy on both our parts, it's from a general apathy on both our parts, it's bad that so many students share this trait of procrastinating. Perhaps I will invite you + vice versa will be home this summer. And again - despite popular opinion, I stand firm in my belief that you are an exceptional person and I love you.

Goodbye Tate. Tate

Carole,
we didn't
do that much
together this year
but next year
seniors the whole class will
become closer and do more
together. You take care of yourself
this summer. Lynn Watsons

Carole,
Wadell's class was a
total joke this year!
About the only thing
I learned was how to
cheat! I really hope
that we can get to-
gether over the summer
and do some waterskiing or swim-
ming!
But if we don't, then
I'm sure that I'll see
you around school next
year! Love, Bob Dody

ISLA '77-78



Carole,
I'm really glad to know a
fritter like you. The Wadds class
was lots of fun but it was
not relevant to anything. We'll
be seniors next year. Did you
know that? If you didn't, now
you do. I'll have to take you
to good by Girl one of these
days so you can see what you
look like. Have a good sum and
remember that people that never look for
the clouds
will be
constantly
in the
dark.

love,
Stephen

Carole,
Senior this and I'm only a Junior, that's what the doctor told me. I hope I can keep the spirit all through next year. I can't wait until the new Sophs get here. Find some new friends and keep the old ones going. This year has been fantastic for me. I wish the same for you. So much has happend to me I can't comprehend it all. O.K. Carole, I will call and We Will do everything this Summer we didn't do this year. Take care,
Love
Jan David Pewitt

Carole,
The Wadd was fun, but I have a strange feeling I didn't learn anything. Are you taking Math Analysis? I'll be need all the help I can get. Be sweet to Mr Simpson ;)) Keep playing hard volleyball, you'll be needed next year. Have a great summer, and hope to see you sometime soon. Love Summer Light

(Carole) So what did you think of Mr. Sussmans class? Getting up and going to him 1st period just puts me right back to sleep again. Yo guys (Girls, excuse me) made it worth while though. It's hard to imagine that were going to be seniors next year, I still remember you from 1st grade. (It's been a long time!) Anyway, have a good summer, and maybe I'll see you up skiing at Alpental next year.

Love Always
Brian Wadd

Dear Carole, It was great getting to know you again this year. I still remember you from 1st grade Cheerleading. I think you're really neat, and I hope we never get sidetracked. Have a great summer, and I hope you're having a good time. Love & Laughs

OK carole, here goes.... PE.! Lifesaving, what a blast. Jean and Patience were so patient (ha ha, got it) with us. We hardly worked at all, really. Too bad we never really saw eachother 2nd semester, or maybe you were relieved, hu? You and Curt have been so cute all year. But any ways, its been fun. I know I'll see you this summer somewhere, so have fun 'till then.

LOVE,
Lucy Polk

Carole,
since you like things short, neat and to the point. I will try to oblige you. I really love you alot and that we stay friends till we die if our personalities don't kill as we had some great times: swimming, hiking, chelan, chem? See you this summer.

Love
Susan Cadby

Carole,
We didn't
have any classes
together this year. We
better get some next year
Umm Let's see! you are
rushing me so I better finish
this even though I haven't even said
anything worthwhile. We've known each other
for such a long time. Remember what we
went through with Tad (what a cutie!!) staying
after school everyday. And God what a pest
I was coming over to your house every day. Karen Howe
too, but you finally told Karen you were getting a
little tired of it. How come you never told me to
"Buzz off". There's lots more we've gone through but
I better finish this now so you don't have to wait
around anymore. I hope you have a good summer and
Please call me sometime! 0107 School is going to
be the "Pits" next year. Lockers outside and no
football field!

Love, Barbara

Carole,
Will you didn't

but how you did!
Have your pants dried OK

to get to know you - you a real sweetie and
to be around! Enjoy your Summer!

it's time for me to leave this place,
I must admit, you have your place in my
memories. So many good times, especially

attachment to a funny pet called a HOUSE!
Well, its time for this one to

Carol,

Next year I'm gonna give volleyball another try. Hopefully I'll stick w/it. Hisfarus almost over & schools almost out, I'm so psyched. I'll enjoy getting out of sussmans class. It always seemed to put me to sleep. This is always a sad time of the year, all the seniors are gonna be graduating & we're left here alone, the older ones -

V.B was great but the best part was being able to go to state with you guys! It'll be a miracle if we ever get to that far next year, but there's always hope! Thanks for making V.B. so fun! **J.V.** Luv Sandy Rodgers

Carole-
Thanks for helping us to a great season! Season '77 will be vivid in my memory for many, many years. It is always a pleasure to work with such a fine, enthusiastic and talented athlete and I am happy for the opportunity again in '78. Next year will be a great challenge for us all, but I am sure that you and Liz will be able to lead your team to great success again. Have a super summer and stay in shape.
Best always

your friend, Patty

Carole,

So here it is the 8th to the last day of school. That means theres 8 days left unless you dont go on some then theirs less. Or you could go more often than you have too and youd be in school all your life. unless you graduate Early. Hey come to think of it this was our junior year so next year well be seniors isnt that the best.

Anyway, so far this hasnt made much sense, so now its time to get serious. Its been a great year, but I didnt have any classes with you, but theres always next year.

Members also attend dances, meetings, leadership camps and fund raising events on some of these levels.

Carole; I
well... I
know that you
didn't expect to get A
message from me in here,
but here it goes!
I just want to say that I'm
sorry that we haven't exactly
been able to get on the same
wavelength these past years, but
this year, I've been able to
see what a truly terrific
person you are.
(Curtis did not influence
me in this decision).
Remember that time
that I came over
with Debbie? I swear
Carole, sometimes your
Love Life reminds me of
a soap-opera! ("Well Frank,
Harry & Tom," not real names,
"like me, but I don't know who
I like!") - Lucky you!
It's been fun helping
Pat attack you 'n Susan
C. at your locker. I hope you
have a locker by me again.
Anyway, I guess
what I'm
trying
to say, is
that I'd
truly like
to get to know
you better. Since
we work next
door to each
other, maybe
I'll come visit
you on my
break.

Hi Carol

You said once that you didn't think I was a Sophmore. Well I used to think that you weren't a junior, but a Sophmore (No rank intended). Zimmerman's was one of the most layed-back classes of the year. I don't think much of Spanish, but it's still a fun class. Well, maybe I'll see you this Summer. Keep that cute smile, and don't let curt get out of control

Carole,

It seems like every time I see you we're both out of class. So there's the life of us Juniors! It was hard synchronizing ~~the~~ our 6th periods ~~out~~ if the sun together. I hope you can find a place for your boat this summer. If you can't call me and I'll take you out in my boat, either way we'll have to get together out on the lake this summer. Although I didn't get to know you too well this year ... maybe next year. Have a great summer and don't get too tan!

see ya soon

WELL, (I TOLD YOU I WAS ORIGINAL) BELIEVE IT OR NOT I REALLY CAN'T THINK OF ANYTHING NEW, ORIGINAL, STUPENDOUS OR EXIETING TO WRITE YET (I CAN'T SPELL EITHER) ANYWAY THAT SHOULDN'T STOP ME FROM FILLING UP SOME SPACE. I REALLY HOPE CURT DOESN'T ~~DOESN'T~~ ~~SE~~ GET TO HURT BY ALL THIS, HE DOESN'T SEEM TO MIND BUT HE PROBABLY ISN'T ALL TO EXITED ABOUT IT. Well now is it going, You know I haven't talked you so long I feel like I have just met you and for some reason I feels great to start all over. Have you enjoyed this year being a cheerleader. I would think this year would be great for you. Bringing a lot of great experiences to you I would think that your insights really would have deepened. I think your really a great person. I would have really liked to have been able to talk to more this year because I enjoyed you and your personality very much, you always make it interesting to be with you and I like that. This year for me was a very beneficial although I didn't play basketball and ~~good~~ got off to a good start I was able pull through with baseball and my grades. I have learned alot this year and I have changed quite considerably. Its been a very learneed year for me to. Maybe we can do something this summer I would like that We have had always something in common but I not sure what it is. I hope we can find that Out someday.

Love Always Deborah

Carole-

Annual signing gets very unoriginal but I am glad we've gotten through Spanish together, and let's not forget Roberto who added a little bit of kinkiness to an otherwise BORING class. Hope to see "your smiling face" a lot in the summer and now & then next year. So let's hear it for another prosaic signature from a, hopefully, not too prosaic person! Much love,

Carole,
I must say it is damn hard to say how much fun we've had in just a few words. This probally really sounds dumb, but I glad we got to be friends this year. We have to get together this summer and do something together, so if you are really, really bored to death just give me a ring. I must hand it to you though, for putting up with me and all of my rude remarks during Bev's class. I am also really sorry for acting like such a jerk during the dance. I was a real fool. In conclusion, I would just like to say you are a really neat chick so keep up the good work and I will be seeing ya around

much latter Rob - Dayton

I really wish to God that those telephone calls + get togethers I always promise would come true, because I've allways enjoyed your company + your great sense of humor. However, I have no excuses except that I'm basically lazy at heart. You are such a sweet person + I admire you somuch. You have so many neat friends like rob + Mick + everyone. I'm really looking foreward to getting to know you better. Thank you for being so neat. Love ya lots,

Kathie
